OEM® does not provide any warranty for products labeled other than OEM®. OEM® will not provide any warranty for products subjected to abnormal use. Abnormal use includes, but is not limited to, abuse, accident, alteration, neglect, and unauthorized or unreasonable use or repairs. This warranty does not cover bits, blades, files, or calibration. We recommend that you maintain your tools and sharpen or replace blades, bits, and files as necessary. OEM® reserves the right to make any changes in construction or design at any time without any obligation in incorporating such changes to tools or equipment previously sold.

OEM® brand products are specialty tools built for professional users. These tools are expected to be used in rigorous situations that are susceptible to wear. This warranty does not cover tools that have experienced normal wear due to standard usage.

OEM® is not liable for consequential or incidental damages arising from the breach of this, or any other, warranty whether expressed, implied, or statutory. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

OEM® Power tools are subject to a one year warranty only, batteries are subject to a 90 day warranty only.
